MVCTC Students Place Second in Ohio SAGE Competition

Cincinnati, Ohio – Miami Valley Career Technology Center (MVCTC) Financial Management Students, Alexis Burt (Trotwood) and James McConnell (Northmont) placed second in the Ohio Students for the Advancement of Global Entrepreneurship (SAGE) Competition on Friday, May 1. This qualifies them to participate in the USA SAGE Competition in San Francisco, CA on May 29-31.

SAGE is an international network that links teams of secondary school students to nearby university students, business leaders, and civic leaders. The SAGE Competition challenges students to develop an entrepreneurial venture that promotes social awareness, global components, civic engagement, environmental stewardships, and the use of media. Mrs. Carrie Wiant, MVCTC Financial Management instructor said of the competition, “Alexis and James worked really hard to meet the ten criteria for the competition. I am proud of their accomplishment and how they have learned a lot from this great experience.”

MVCTC is very proud of our students and congratulates them on their great accomplishments. For more information about MVCTC and the 50 exciting career programs offered to high school juniors and seniors, or the career training opportunities offered to adult students, please visit www.mvctc.com or www.ctctube.com.
