MVCTC Student, Bridget Mescher Elected Regional SkillsUSA Secretary

Clayton, Ohio – Miami Valley Career Technology Center (MVCTC) SkillsUSA students attended the SkillsUSA Fall Leadership Conference in November. MVCTC had seven students qualify to run for regional officer positions, the maximum number permitted per school. Five of the seven MVCTC students reached the finals. These students were:

- Brenden Brown (Northmont)
- Emily Berger (Ansonia)
- Bridget Mescher (Versailles)
- Daysia Montgomery (Miamisburg)
- Mark Stewart (Wayne)

The final selection process to become a Regional SkillsUSA Officer requires students to give impromptu speeches. Bryan Jackson, MVCTC Trade and Industry Supervisor, said, "All of the MVCTC students did a great job delivering their speeches." Bridget Mescher, a Graphic Commercial Photography student from Versailles, was elected as the SkillsUSA Regional Secretary for the 2009-2010 school year.

SkillsUSA is a career technical student organization representing students pursuing careers in technical, skilled, and service occupations, including health occupations. There are 285,000 members worldwide with over 5,000 students qualifying to compete nationally each year in one of 87 contests.

MVCTC is very proud of our students and congratulates them on their great accomplishments.
