MVCTC Legal Assisting Students Visit Federal Court

Dayton, Ohio – The Miami Valley Career Technology Center (MVCTC) senior Legal Assisting students recently visited the Federal Bankruptcy Court and listened to an adversary case by telephone. Legal Assisting students, accompanied by instructor Mrs. Kelly Haws, were able to see the courts, hear the case, experience the video/audio technology in the courtroom, and speak with Federal Bankruptcy Judge Guy Humphrey. In addition, the students were able to tour the Old Court House on Third and Main Streets and learn the history of Dayton's first courthouse. They viewed documents and records back to the 1890s. Mrs. Haws said of the trip, "It was both interesting and educational."

A student in the MVCTC Legal Assisting Program will learn highly skilled training such as office technology, law office procedures, legal terminology, accounting, and records management for an in demand career field. After completing the two-year program, students would be able to pursue a career as a legal assistant, judicial assistant, court system clerk, court runner, insurance office support, and with additional education may be able to become a paralegal or even an attorney.
