### **MVCTC Sports Medicine Local Science Fair Winners**

Clayton, Ohio - Miami Valley Career Technology Center (MVCTC) held their local Science Fair recently and the following Sports Medicine students have qualified to compete at the Montgomery County Science Day. Kayla Jackson, a senior from Tri-County North, placed 1st in the local competition. Roger DeBorde, a senior from Wayne, placed 2nd. Taylor James, a junior from Miami East, placed 3rd and received the Community Award.

Additionally these junior students placed in local Science Fair with scores high enough to advance: Kelsey Kitchin (West Carrollton); Brianna Foster (Northridge); Cassandra Coggeshall (Eaton); Bridget Jones (Tri-County North); Brandon Keener (Brookville); Brittni Spath (Wayne). Kelsey Kitchin received a Community Award. Bridget Jones was selected to present her project at the University of Dayton to Physical Education Majors.

Senior students that placed with scores high enough to advance: Samantha Hanson (Tri-County North); Veronica Azzalina (Eaton); Shauna Ward (West Carrollton); Chelsea Moore (National Trail); Kevin Roy (National Trail); Bryce Renicker (Bethel); Carlie Rider (Eaton); Bryana Bentley (Trotwood); Briana Matthews (Wayne); Molly Hunt (Preble Shawnee). In addition, Samantha Hanson voted Most Technical project, Shawna Ward voted Most Original and Creative project and Chelsea Moore and Molly Hunt also earned Community Awards.

MVCTC is the career technical education center for 27-area high schools in Darke, Miami, Montgomery, Preble, and Carlisle schools in Warren County. MVCTC is committed to the Miami Valley, and there mission to provide premier educational choices and advanced employment preparation for youth, adults,

and organizations. MVCTC is dedicated to providing relevant and rigorous programs for high school students and lifelong learning opportunities for adults. For more information about MVCTC, please visit [www.mvctc.com](http://www.mvctc.com).
