MVCTC Local Carpentry Skills Contest Winners Announced

Clayton, Ohio – The Miami Valley Career Technology Center (MVCTC) Carpentry students recently competed in their Local SkillsUSA Contest, and one student advanced on to the Regional SkillsUSA level. The winners included:

- Kodi Riffey (Senior Carpentry student from New Lebanon) won 1st Place in the Local SkillsUSA Carpentry contest and will compete at the Regional SkillsUSA contest in March.
- Jared Eubanks (Senior Carpentry student from Northmont) won 2nd place in the Local SkillsUSA Carpentry contest.
- John Hixenbaugh (Senior Carpentry student from Wayne) won 3rd place in the Local SkillsUSA Carpentry contest.

Students in the MVCTC Carpentry Program will earn highly skilled training and the opportunity to jump-start their college career. After completing the two-year program students will be able to pursue careers as lumber supply sales people, construction company owner, cabinet shop worker/owner, commercial construction worker and with additional training could become a lead carpenter, building contractor, construction supervisor, commercial carpenter, or construction manager. The MVCTC Carpentry program offers students that meet the requirements the opportunity to earn college credit to Sinclair Community College or Hocking College, and the chance to participate in the apprenticeship program. For more information about the Carpentry Program or any of the other exciting 49 career programs offered at MVCTC, please visit www.mvctc.com.
