MVCTC Electronic Engineering Contest Winners Announced

Clayton, Ohio – The Miami Valley Career Technology Center (MVCTC) Electronic Engineering students recently competed in their Local SkillsUSA Contest, and there were four winners in different categories. The winners included:

- Zane Gerlach (Miamisburg) placed 1st in the Local Technical Computer Applications SkillsUSA contest and will represent MVCTC at the State SkillsUSA contest.
- Robert "Bo" Gerami (Northmont) placed 1st in the Local Computer Maintenance Technology SkillsUSA contest and will represent MVCTC at the Regional SkillsUSA contest.
- Tamara Ward (Carlisle) placed 1st in the Local Electronics Technology SkillsUSA contest and will represent MVCTC at the State SkillsUSA contest.
- Dylan Lujano (Brookville) placed 2nd in the Related Technical Math Local SkillsUSA contest.

The SkillsUSA contest provide an opportunity for students to show the technical skills they have learned while at MVCTC, and can be helpful for the students when they are looking for electronics related employment.

Students in the MVCTC Electronics Engineering Technology Tech Prep Program will earn highly skilled training and the opportunity to jump-start their college career. After completing the two-year program students will be able to pursue careers as electronic technicians, computer technicians, auto system technicians, electronics quality controllers and with additional training could become an electronic engineer, robotics engineer, electronic technical writer, or computer engineer. The MVCTC Electronics Engineering program offers

students that meet the requirements the opportunity to earn college credit and a $3,000 Tech Prep scholarship to Sinclair Community College. For more information about the Electronics Engineering Technology Tech Prep Program or any of the other exciting 49 career programs offered at MVCTC, please visit www.mvctc.com.
