MVCTC Student, David Wilson, Earns Eagle Scout Rank

Miamisburg, Ohio - Miami Valley Career Technology Center (MVCTC) Auto Technology Tech Prep senior, David Wilson from Miamisburg, was recently awarded Eagle Scout rank in Boy Scouts of America. David is a member of Boy Scout Troop 236 in Miamisburg, under the leadership of Dr. Charles Goodwin.

David's Eagle Scout project was building a caterpillar nursery for Cox Arboretum. This includes a shed with screen mesh instead of walls, so that people can look in where they will hatch the chrysalises in peace before moving the Butterflies to the large butterfly house that is open to the public.

David is a very active student and has been accepted this coming summer to participate in the Hill Cumorah Pageant work force for his church. After graduation from Miamisburg and MVCTC, he plans to head west for college, having been accepted to Brigham Young University (BYU) in Idaho. David plans to major in Mechanical Engineering while attending BYU and looks forward to completing a two-year mission trip with his church

MVCTC congratulates David on his hard work and dedication. For more information about MVCTC, please visit www.mvctc.com.
