### 94 MVCTC Students Competing in State SkillsUSA Contest

**Clayton, Ohio** -- Miami Valley Career Technology Center (MVCTC) SkillsUSA students performed well in this year's local and regional competitions, with 94 students qualifying in their contest for the state competition in Columbus, Ohio on April 23-24, 2010. Many local companies donated supplies and materials to the competition, and had representatives on hand to judge the skill events.

In the past, several MVCTC students have excelled at SkillsUSA competitions often making it past the Regional and State levels to either win or place in the top three at the National Competition. The National Competition, held in the summer, brings together more than 14,000 students, teachers, education leaders, and representatives from more than 1,100 national corporations, trade associations, businesses, and labor unions from across the United States.
