For Immediate Release – **November 2010**

MVCTC Sophomore Visitation Days and Open House Scheduled

Clayton, Ohio – The Miami Valley Career Technology Center (MVCTC) has their annual **Open House** scheduled for **Thursday, December 9, from 4:30-7 p.m.** The school will be open for visitors to tour all three buildings, meet instructors, and learn more about the 50 career and technical programs that MVCTC offers for high school juniors and seniors. A complimentary spaghetti dinner will be served to all visitors in the Student Activity Center.

The MVCTC **sophomore visitation days, scheduled for December 7-9, 2010**, allow current sophomores the opportunity to experience a school day at MVCTC, visit two career programs, and meet with career technical instructors. Parents of sophomores who would like to make a reservation for their child to attend a visitation day need to contact their high school guidance counselor.

MVCTC is located in Clayton and serves 27 area high schools in five southwestern Ohio counties (Montgomery, Warren, Preble, Darke, and Miami). The career technical programs at MVCTC are designed to teach students skills relevant to their career goals, while maintaining challenging academic classes and building relationships with classmates, instructors, and business leaders to help them be successful. The opportunities available at MVCTC prepare students for the workforce and college and allow them to graduate with thousands of dollars toward their college education.

For more information on the opportunities offered at MVCTC, please visit www.mvctc.com.
