### **MVCTC Early Childhood Education Juniors Help Ronald McDonald House**

**Clayton, Ohio** – Miami Valley Career Technology Center (MVCTC) Early Childhood Education juniors, Megan Easterling (Carlisle), Lindsey Hobbs (Tri-County North), and Olivia Oroszi (Dayton Public) completed the FCCLA Chapter Service Project Manual from October 2010 – January 2011. According to FCCLA, “This project is a team event that recognizes chapters that develop and implement an in-depth service project that makes a worthwhile contribution to families, schools, and communities. Students must use Family and Consumer Sciences content and skills to address and take action on a community need.”

For their project, the juniors participated in collecting pop tabs and toiletries for the Ronald McDonald House. They collected over 31,000 pop tabs and over 115 toiletries for families to use when staying overnight at the hospital. They received help through their junior class, churches, and the families who attend the MVCTC preschool program.

MVCTC students in the career technical programs of Culinary Arts, Early Childhood Education, and Hospitality Services participate in FCCLA. This organization allows students to develop leadership and professionalism, and to demonstrate their knowledge in contest at the regional, state, and national levels. For more information on MVCTC career technical programs, please visit [www.mvctc.com](http://www.mvctc.com).

In honor of the 40-year anniversary of MVCTC, a community celebration and reunion is planned for Saturday, May 14, 2011. All graduates from the Montgomery County Joint Vocational School (MCJVS) and the Miami Valley Career Technology Center (MVCTC) both high school and adult education programs are encouraged to attend.
