For Immediate Release –*November 2011*

MVCTC Student’s Design Selected as Ohio’s BPA Pin

Clayton, Ohio – Miami Valley Career Technology Center (MVCTC) student, **Tyler Diegel (Ansonia)**, a senior in the Interactive Multimedia program, submitted a design for the Ohio Business Professional American (BPA) pin contest. There were 51 pins from around the state submitted and voted on by Ohio BPA students on November 11 at the State BPA Fall Leadership Conference in Columbus. Tyler’s design was chosen as one of the top two in Ohio. His design will now be created into a pin that will represent Ohio’s BPA at the BPA National Conference in Chicago, Illinois. It is a tradition that each state brings pins to the National BPA Conference to trade among the states. This is the first time that MVCTC has had a student’s design selected to be reproduced as Ohio’s pin.

For more information about how MVCTC is preparing high school and adult students for jobs now, visit www.mvctc.com.
