For Immediate Release – **March 2012**

MVCTC Student Serves as State HOSA Officer

Clayton, Ohio – Miami Valley Career Technology Center (MVCTC) senior, Michaela Dramis (Wayne), was elected as an Ohio Health Occupations Students of America (HOSA) state officer in the position of Historian. Her job is to record all HOSA events sponsored by Ohio HOSA. She has had opportunities to speak to various organizations about the benefits of HOSA, was part of the officer team that led the Ohio delegation at the HOSA National Conference, and served as a national voting delegate at the conference. She also helped organize and run the Ohio HOSA Fall Leadership Conference at which local officers gathered to participate in leadership development activities.

Michaela said of her experience, "The opportunity to serve Ohio HOSA as a state officer has meant the world to me. I have grown as a leader as well as a person. One of the highlights of my year has been going to Washington DC and meeting with Ohio Congressmen and telling them about HOSA".

Michaela is studying Biotechnology Tech Prep at MVCTC and plans to attend college to pursue a degree in clinical laboratory science. Michaela is a Track and Field thrower for Wayne and hopes to continue to play sports and further her education at either Ohio Northern University, Ohio University, or Capital University.

HOSA is a national student organization designed to promote career opportunities in the health care industry and to enhance the delivery of quality health care to all people. HOSA provides a unique program of leadership development, motivation, and recognition exclusively for secondary,

postsecondary, adult, and collegiate students. For more information on MVCTC career technical programs in the healthcare field, please visit www.mvctc.com.
