***MVCTC Students Local Heroes***

***Huber Heights, Ohio*** – On the afternoon of April 1, 2012, MVCTC students and twin brothers Andrew and Travis Bunch of Huber Heights, were faced with a very serious situation and made the heroic decision to step-up and help those in need. Travis and Andrew were at the intersection of Brandt Pike and Chambersburg Road when a two-car accident occurred. The brothers helped one of the crash victims get out of the car before it burst into flames and stayed with him offering comfort until the authorities arrived.

Andrew is a senior in the Auto Collision class at MVCTC and Travis is a senior in the Automotive Technology program at MVCTC. The boys' quick thinking and willingness to help others exemplifies the guiding principles at MVCTC. Mr. Jeff Shoup, MVCTC Principle, recognized Andrew and Travis at a Citizenship Awards Ceremony in April.
