17th Annual MVCTC Education Foundation Golf Outing Scheduled

Clayton, Ohio – The Miami Valley Career Technology Center (MVCTC) Education Foundation will be holding their 17th Annual Golf Outing on Thursday, August 9, 2012, 9 a.m. at Meadowbrook Golf Club. Proceeds support the MVCTC Education Foundation.

The MVCTC Education Foundation, created in 1991 by the MVCTC staff and various community leaders, to provide targeted assistance to students needing financial help to complete their education. They believed that MVCTC would be the conduit that would connect skilled, well-trained, entry-level workers with jobs. The Foundation provides assistance according to need. First, the Foundation provides financial support to both high school and adult students for career-specific materials and tools. Second, the Foundation dispenses “emergency needs” funds for situations that demand immediate attention and have exhausted all other resources. Third, the Foundation gives eight scholarships annually to help students who want to go on to post-secondary education.

Each year, MVCTC secondary programs serve over 2,200 high school students while the adult programs can serve over 15,000 adults. The Miami Valley economic situation is such that many of these people have had to overcome formidable barriers to achieve their goals, and the staff at MVCTC is ready to assist the existing labor force by preparing them for the high tech jobs of the future.

The entry fee is \$90 per golfer. Fee includes golf, meal, snacks, and opportunities to win door prizes and skill contests, including a \$15,000 hole in one contest. Visit <http://www.mvctc.com/foundation> for a copy of the brochure and sign-up form.

The MVCTC Education Foundation is also looking for official sponsors. Sponsorships range from \$100 (tee signs), to \$1000+ (large sign, tee sign, recognition, etc.). For more information on sponsorships or the golf outing, please contact Joel Sink at 937-854-6089 or at jsink@mvctc.com.
