For Immediate Release – **September 2012**

Student Ambassadors Represent MVCTC with Pride

Clayton, Ohio – The Miami Valley Career Technology Center (MVCTC) has 39 senior students who will act as Student Ambassadors during the 2012-2013 school year. These students learn leadership skills and public speaking to represent MVCTC as spokespersons for the school.

The MVCTC Student Ambassadors visit the 27 MVCTC partner school districts in the fall to share their stories, career technical programs, and career goals with high school sophomores. All of the sophomores from the 27-partner school have the opportunity to select two career programs to visit at MVCTC during the annual Sophomore Career Days in December. For more information about Sophomore Career Days or visiting MVCTC, please call 937-854-8056.
