### Neil Hazel Receives Award from MVCTC

**Clayton, Ohio** – The Miami Valley Career Technology Center (MVCTC) named Mr. Neil Hazel, as the recipient of the 2013 Friend of MVCTC Award. Mr. Hazel received the award at the 23rd annual All Advisory Dinner held on Thursday, October 3, in the MVCTC Student Activity Center. MVCTC Superintendent, Dr. Nick Weldy, says, “This award is given each year to someone who is always supportive of our mission, our programs, and our students. Those nominated are the professionals who willingly give a tremendous amount of time and talent to ensure MVCTC has continued success”.

Mr. Hazel was nominated for his continued support of MVCTC students and staff through the MVCTC Education Foundation and other community efforts.

The evening also included a district update by Dr. Weldy and the opportunity for the 500 plus business partners to meet with MVCTC staff. During the program advisory committee meetings, business partners, employers, alumni, students and parents work with the Career Technical instructors to guarantee what is being taught at MVCTC is what students will need to know to be successful in their chosen careers. It is an excellent example of how MVCTC works with business and industry to provide a trained workforce.
